

## OLS (Online Linguistic Support)

We take this opportunity to remind you of the following:

1. The new project which you will receive can be used in a similar way to a standard OLS project, for the respective field.
2. As a "mobility participant", you will receive access to a standard OLS assessment and course. This implies full access to the course platform in the selected language, including access to the OLS Live Coaching (tutoring sessions, MOOCs and forums [where available](#)).
3. As a "mobility participant", you need to complete the first assessment in order to have access to the language course.
4. **Attention:** once you complete the second assessment, you will no longer have access to the language course. We thus advise you NOT to complete it.
5. We advise you to set the mobility start date for the current month (i.e. July 2019) and the mobility end date for the same month one year later (i.e. July 2020), to have access to the language course for the maximum duration (13 months).

We encourage you to make the best possible use of this access to OLS to demonstrate the assessment and course to your mobility participants, as well as to support them in their usage.

We invite you to consult the [language assessment](#) and [language course user guides](#) as well as the [FAQs](#) which are all available via your OLS Licence Management System *Home* screen.

In case you would like to **change the contact person for the assistance licence(s)**, please send your request to [EACEA-EPLUS-OLS@ec.europa.eu](mailto:EACEA-EPLUS-OLS@ec.europa.eu).
